

Commissioners Notes:

Dear Landowners,

Here's what going on in your area;

County News, We are still working with a couple landowners to help them change their current Land practice to ensure better water quality in the future.

Park News, Our new Park Director will be taking Apps. For the new Park Board. The Board Will have 7 Members Plus the Park Director. (one member from each Commissioner's District, And Two current County Board Members) . That info will be coming out soon.

Highway Dept., The Highway crews are finishing up the road project, cutting and trimming trees by intersections. (They cut back trees by County Park 103/19 intersection).

The 4-way stop at the Westwood Road and County 19 , we are looking at options to help Drivers know there is a 4-way stop there. Drivers are blowing Thru the stop signs , the Highway and Sheriff Dept. have been notified .

VRBO, Two weeks ago a small group from the Area, asked to be able to come to a County Board meeting to speak about their currents with VRBO's. What came from that meeting , The Board Directed the Staff from Planning and Zoning send out a letter stating the violation . Currently VRBO's are not a permitted use, this is a statewide current. There will be more come On this issue .

New Justice, we are moving forward with the project and will be having an Open House on Wednesday Oct. 18th at the Le Sueur County Fair 4-H Building located in the City of Le Center From 6:30-9:00 pm. See what is going look like, what's the impact to the County if it doesn't get build , and impact to the residents of Le Sueur County.

As always thanks for living and supporting Le Sueur County,

Commissioner Gump Rohlfing
